

## Vee Gee Bee Art – Loyalty Scheme

Under this Loyalty Scheme you are entitled to a number of benefits from Vee Gee Bee Art.

1. All purchases you make **both online and instore** from Vee Gee Bee Art are converted to points (1 point per €1). When you reach **100 points** you can redeem them in the art shop and get **€5** off your total bill. If you wish your points to be redeemed online, simply let us know and we will set-up an online discount coupon.
2. As a loyal customer, we love remembering you on your birthday and always try to send a small gift.
3. You will receive our periodic newsletter so that you will be the first to know about special offers, new products, events and courses.
4. You will benefit from reduced rates on rental of easels.
5. You may make use of our art studio space at beneficial rates.

To join the scheme, simply register your account on [www.vgb.mt](http://www.vgb.mt). Once activated your details are updated to our system and points will start to accumulate for both instore and online orders. Online orders are automatically registered on your account. To accumulate points when shopping direct from the Art Shop, remember to give us your name at cash point so that we register the sale against your account.

Should you have any queries in relation to the above scheme, simply send an email to [online@vgb.mt](mailto:online@vgb.mt) and we will answer you as quickly as possible.
